MARINA ZUBTSOVA'

Barrie,ON, Canada | 647 701 4960 | marinaz.code@gmail.com | Portfolio | GitHub | LinkedIn

Professional Summary

I'm a Web Developer who loves the challenge of solving complex problems with code, and a strong passion for building clean and accessible web applications. I combine my technical capability with my previous 5+ years of experience in HR to communicate effectively with developers, designers and other stakeholders, as well as build positive relationships with clients. In my free time I enjoy travelling, hiking and learning new things. I'm currently learning WordPress.
